

About Us

Community Integrated Health Services is a specialized behavioral health agency dedicated to providing accessible care to underserved communities.

Our services focus on aiding individuals dealing with emotional, mental, and addiction struggles. Together, we will create a personalized treatment plan that considers your values, background, and life experiences to help you achieve your recovery goals.

Just know, you are not alone - our team is here to offer assistance and support.

Our Goals

- *Deliver whole person, integrated care customized to the individual's needs.*
- *Assure timely access to high quality behavioral health services.*
- *Offer high quality care to all individuals and families we serve.*

- *Be committed*
- *Be prepared*
- *Be connected*
- *Be heard*
- *Be strength-based*
- *Be a team player*
- *Be creative*

24/7 On-Call Services

Where are WISe Services available?

WISe services are available in all counties we serve, Cowlitz, Grays Harbor, Lewis, Pacific and Wahkiakum.

Who is it for?

Children ages 3 to 21, Medicaid eligible, who might benefit from WISe services.

What we do?

We partner with youth and families to develop a collaborative plan that builds on their strengths and needs while supporting the youth and their family in a community setting. On average, families participate in about 10.5 hours of services each month.

Why is it better?

We offer individualized care, customized to the individual's needs. Youth and families take ownership of their plan. WISe offers youth and family Peer Support, Care Coordination, and Mental Health Professional Services.

How long does it take?

The WISe process generally takes up to 14 months. However, each family is different and the process can be shorter or longer, depending on the needs of the youth and their family.

Who can refer?

Anybody. Just call or access a referral form on our website.
